What is the
KC ECC Support Team?

The King County Emergency Coordination Center Support Team was formed many years ago to provide support services for the Office of Emergency Management during disasters and emergencies. The ECC Support Team is a non-profit, all volunteer, community service organization that exists under the WAC 118-04 guidelines of the Emergency Worker Program. Volunteers are individuals with an interest in providing vital emergency coordination center support for the community during a disaster.

Volunteers are registered as State Emergency Workers and submit to criminal background checks before participation.
